Sir,

Alienation--land and land revenue--Mangalore Taluk--Kavalpadur village--S. No. 174/2B--Parish Union of the Diocese of Mangalore--construction of a new church--proposals--submitted.

bps m f

I submit applications for the alienation of land and land revenue in respect of S. No. 174/2B of Kavalpadur village measuring 22 cents in favour of the Parish Union of the Diocese of Mangalore. The plot is required by the Union for the purpose of extending the Neerkhan church which is under construction now in the adjoining S. No. 143/1 which belongs to the Church, as there is no other suitable land in 143/1 itself for the purpose.

2. The plot proposed for alienation has been sub divided from S. No. 174/2 of Kavalpadur standing registered as poramboke. The land was once reserved for constructing quarters for Forest subordinates, but the idea has been given up. The extent of 2.23 acres which ~~would~~ be left in 174/2 is quite sufficient for the purpose of these quarters and the District Forest Officer, Mangalore South, consents to surrender the 22 cents required for the purpose of the Church. I enclose an extract from the letter dated 15th March 1935 of the Secretary of the Parish Union agreeing to abide by the conditions of alienation with a copy of the conditions agreed to by him on behalf of the Union.

2

--2--

3. The value of the tree-growth existing on the plot is negligible as there is only some small scrub jungle valued at 0-1-6 on the plot. The amount may be ignored. There are no other -- improvements on the plot. I have inspected the place myself; the Church is being built on a shelf cut in the hill; now they find that the side of the hill will come too close to the Church; so more hill must be cut away.

4. Eyesketches of the site are enclosed in duplicate. The aliena-^{tion} is unobjectionable and may be sanctioned.

Your obedient servant,

Collector.
